A JOB FOR EVERY SOLDIER

The boys of the United States Army and Navy saved the day. They saved us all from a fate worse than death. If they hadn't gone over Germany would have won, this Country would now be a German colony and we would all be German Slaves. There is absolutely no doubt about that, it's as true as the sun shines. Now what are we going to do for them?

Not one of them cares a hurrah for brass bands, parades or reception committees. What every one of them wants and wants right away, is A JOB. Are they going to get the jobs? It's up to the American Public to say and. if they don't say it and say it RIGHT, not one of them will thank you for his
